Mr. Gary Jenkins & Thundering Hearts

Dear Gary:

To say that the entertainment at our kick off dinner for the AgriBank Annual Meetings was "perfect" would be an understatement!

Oh, my gosh! The guests just had the best time! Many "thanks" to you and "Thundering Hearts"!

Gary, I would just like to extend my sincere, heartfelt appreciation and "thanks" to you and the incredible musicians of "Thundering Hearts". When I contacted Debbie Parsley of the Country Music Hall of Fame and Museum, I was within three weeks of my event and doubtful I would find "just the right entertainment" for my guests. Without hesitation, Debbie highly recommended you and the band-I feel blessed that she did!

I truly appreciated your professionalism and efforts to find out about my guests. The program you put together for them was funny, engaging, entertaining and nostalgic. I could not have asked for more! Even my production crew echoed my comments regarding the level of professionalism and ability from their first contact through the last set and tribute at the end. It was awesome!

As musicians and entertainers, you all took our breath away. The talents and love of what you all do definitely came through during the performance. The extraordinary effort put into the performance by everyone on stage was evident. On behalf of all the guests--Applause! Applause! I offer this "standing ovation" with our thanks!

Sincerely,

Barbara A. Stark, CMP, CMM Manager, Meetings and Travel

Letter of Recommendation Gary Jenkins May 1, 2007

One March 30th of this year Jones-Onslow EMC had the pleasure of providing their members with the superb entertainment of Gary Jenkins at their 2007 Annual Meeting. Our Annual Meeting of Members is the largest event of the year, with thousands in attendance. The task of choosing entertainment is always a challenge; however there is no doubt that we made an excellent choice this year.

Gary Jenkins' down to earth, good ole boy personality was just what this audience needed. Gary took the time to walk amongst the people before the show to get an idea of the diverse audience. His choice of comedy and song was customized to this southern group of young and old. His show left the audience breathless with laughter. The special touch was for our military. Jacksonville is home of Camp Lejeune and very proud of folks that serve our country. Gary touched the hearts of all with his dedication to our military.

I would highly recommend Gary Jenkins to any group that would like some good southern style wholesome entertainment. His ability to assess a crowd and tailor his performance is without a doubt a very special talent. The positive feedback from our members let us know that choosing Gary for the entertainment at our Annual Meeting was an outstanding choice.

If we can provide further information about Gary Jenkins' performance, please feel free to email me at lindermorton@joemc.com.

Sincerely,

Linder Morton

Gary Jenkins is without a doubt one of the best at what he does. I had the occasion in late 2005 to hire Gary for a Birthday Party. Now mind you this is not just your average everyday Birthday Party, this was for my mother who was turning 80 years old.

Gary spent a great deal of time with me on the phone prior to accepting the engagement because he wanted to make certain I was comfortable with him and his style, plus this was a unique situation. We had guests from 4 to 90 years old. Gary asked me questions about the guests and about my mom, all the time making notes to make his performance one that would be smooth and have some local flavor as well.

On the day of the event Gary showed with his equipment in plenty of time to set up and be tested, so as not to interfere with anything we had going on at the time. Unlike many performers I have hired, Gary had everything he needed to make the show one my guests wouldn't soon forget. And forget they haven't.

From the time Gary took the stage, there was laughter and smiling faces throughout the crowd of more than 200. The venue was an old Train Depot that has been restored, Gary's humor was appreciated by all present, and with a crowd as wide ranged as ours, my guess is, that is not easy to do.

From Johnny Cash, to Elvis....the place was rocking. Gary played with the guests making them feel like they were part of the show, heck, they were...dancing on the stage, singing along and making jokes on their own.

Gary came to me by way of an acquaintance that recommended him. I am certainly glad he did. Gary is the ultimate entertainer, and the ultimate professional. One of the neatest things was, after the show, Gary hung out with the guests mingling and getting to know them....as if he were the host of the party. This was a very classy thing to do.

A fan? You bet I am, and you can also bet that next time I need someone for entertainment, regardless of the venue or the situation; I am going to call Gary Jenkins. I promise you the folks in Goodwater Alabama, remember Gary...they are still talking about his talent and his humor, and these folks are not that easy to impress.

If you are thinking about hiring someone for your event, call me and ask any questions. If I don't think Gary would be a good fit, I will tell you, but I can't imagine a situation where he wouldn't fit like a glove.

I am one of those people who is very hesitant to hand out testimonials, however this unsolicited letter is just that. Gary thanks for the outstanding job. I can't wait to see your act again.

Sincerely

LETTER OF RECOMMENDATION:

This is a letter of recommendation for Gary Jenkins. Gary was our comedian at our 9th annual Christmas Party this past Saturday, November 19, 2005. His act was GREAT and kept us rolling!! I would highly recommend him for any adult event that you have coming up. I am sure you will not be disappointed.

We had over 300 people at our event and they all say that it was the best Christmas Party ever, and for that I give my Thanks to Gary. I have already had employees wanting to know if I am going to have him come again next year.

So if you want to be the HERO of an event I suggest you book Gary. From then on you will be known as the Star Party Planner.

Best Regards,

Aundrea Thompson

ADDITIONAL CLIENT'S REMARKS

Gary,

I just wanted to drop you a short note to thank you for the phenomenal performance at our awards banquet last Saturday night.

In my opinion we could not have picked a better person to perform. The combination of music, humor, emcee and personality was absolutely perfect.

I would particularly like to thank you for the personal interest in getting every pronunciation correct and for taking the time to mingle afterwards. I'd also like to specially thank you for the personal time with my son James. He was absolutely thrilled to get up on the stage and play guitar with you.

Please let Liz and I know if you ever have an engagement scheduled in the Kansas City area. We'd love to see you again.

I want to let you know just how much we all enjoyed Gary Jenkins at our party. The guys this morning are still talking about just how funny he was and saying he has been our best entertainment yet. He got to the party early and took time to learn names of the guests to include in his routine. He was professional and he remembered to thank people like the caterers and bartenders that I was too nervous and self absorbed to think about. I will be letting Kristi in Englewood know about Gary and also the Fort Morgan office for future reference.

They party was a great success and Gary was a major part of that.

Thank you so much!

I have heard nothing but great comments about your performance in Van Wert Friday night. I just returned to town today and people are stopping me and emailing me about how much they enjoyed you.

My staff says you were good to work with too. That's important to me. I only regret I couldn't catch your performance. Perhaps another time.

Thanks again for coming to Van Wert, OH and sharing some good times with my people!

Dear Gary;

The music was AWESOME! Thanks so much for bringing the level of entertainment at our Bristol Motor Speedway event to an all-time high! The talent and professionalism exhibited by you and Thundering Hearts really set the tone for the entire event. Every customer attending had to know that Eastman had really rolled out the red carpet to entertain them in style. With a backdrop like the Bristol Motor Speedway NASCAR Cup Race, the addition of Thundering Hearts made this a first-class event, at a one-of-a-kind venue. Thank you!

You are right about the BMS event - it is enormous, and growing by numbers that are difficult to grasp, much less understand. The popularity of the event coupled with its challenges make this one of the most memorable entertainments we can offer any customer. Whether they are seasoned NASCAR fans, novices new to the sport, or just plain skeptics coming for the adventure, EVERYONE comes away with an experience they are likely to remember for a long time to come. Entertainment provided by Eastman for our customers needs to fit the level of quality and professionalism that surrounds our corporate image. I think we achieved just that. Gary Jenkins & Thundering Hearts was exactly the right mix.

Thanks again for all that you did to work with us in terms of the traffic and setup challenges of the day. I recognize these challenges as significant, but it is hard to describe or explain to someone who has never been there. Thanks for literally going on good faith and email. Let's keep in touch and do business again!

Thanks Gary,

We truly enjoyed your show. You were wonderful! I laughed so hard I was holding my gut! Plus the acoustics in the Rotunda are incredible which made both shows that much more outstanding. It was a great time, and I wouldn't be surprised if you hear from us again to do other shows for us.

Thanks again,

Gary,

Thanks so much for a great job at our Holstein Convention Family Night. I had so many positive comments I can't even begin to count. I also passed your business card to a half dozen state organizations that are interested in having you entertain at their state events. I hope you get lots of business from our event!
