

ELITE
MEETINGS
INTERNATIONAL, INC.

Dear James:

On behalf of my entire staff, we can't thank you enough for serving as Master of Ceremonies for our Elite Meetings Alliance. It's a rare treat to find someone who would take the time to understand our business and then integrate so seamlessly with our staff and participants. As our Master of Ceremonies, you unified our event with an official "voice," while making every one of our attendees feel well cared for.

The feedback I heard during and since the event has been overwhelmingly positive. Thank you for bringing a wealth of wit, positive energy, and absolute professionalism to our event.

Sincerely,

To Whom it may concern:

Jim Connolly: Two words that describe a person that can energize, cajole, tease, and make even the toughest corporate crowd laugh.

ARAMARK Uniform Services has contracted for Jim's comedic talents for 3 consecutive national meetings with our General Management and Sales associates. Jim has terrific ideas, great timing, and an extraordinary talent for spontaneous and ad-lib remarks that are appropriate and fit into our corporate presentations beautifully.

Jim always comes prepared, on-time, and has an inherent understanding of corporate business. He takes a real interest in what each meeting is to accomplish, and plays his role with complete enthusiasm and energy. In short, he does his homework!

We look forward to working with Jim for many meetings to come.

Sincerely,

Dear Jim,

I wanted to send you this letter of thanks for your outstanding job at my recent worldwide awards banquet. Even though this was your third consecutive year to host this event, you continue to offer a new and fresh approach. I get amazing feedback from the attendees on your performance, which is extremely impressive considering it is an international audience comprised of employees from over 20 countries. It is appreciated by myself and my team how you personalize your comments to the event, in fact, you have become like one of the family.

I want to wish you the very best success and am grateful for the positive impact you have had in making my worldwide sales meeting a special event.

I look forward to seeing you soon.

Best regards,

To whom it may concern:

It is a distinct pleasure to write this letter of recommendation. James was able to take our requests and provide a presentation that kept the audience guessing and laughing the entire time.

Our sales team was so impressed that they asked for additional information about James. He received a standing ovation for his presentation. It was a great way for us to start off our meeting and the New Year. Thank you again for a dynamic and exciting presentation.

Dear James,

You hit a home run! Our folks really enjoyed your presentation. Please accept my apology for not being there to welcome you in person. I hated being forced to miss this special occasion.

Kathy hopes you found plenty of new material.

We hope you enjoyed being there as much as we enjoyed having you there.

Thanks for being so special.

Sincerely,

Larry Watkins
