To Whom This May Concern,

Robert Cait performed at the First Annual Trustees Dinner for Bais Chaya Mushka Chabad School for Girls. It was an important evening for our school and we wanted to make a great impression on our donors and guests, while staying within "Kosher" standards of language and subject matter. Robert Cait did a wonderful job on all fronts. He had the crowd literally laughing hysterically while keeping the content squeaky clean. Now, *that* is a tall order; and Robert Cait came through with flying colors. We highly recommend Robert Cait for your comedy-entertainment needs. He **really is** very, very funny.

All the best,

Rabbi Danny Yiftach

Dear Robert,

On behalf of myself and the Beth Radom Congregation, I would like to tell you how grateful we are for your fantastic performance at our Shul on April 12. We had a full house and everyone had a great time.

As you are aware, it is difficult for small conservative Shuls such as ours to compete for donations, to attract and retain members and to survive in these uncertain financial times.

It is through people like you and events like the one we just had that we are able to upgrade and maintain our building, as well as promote our shul and foster a feeling of community.

Thank you again.

Sincerely,

Ron Kohn
